City Birthday Has Family Theme

Family participation will be the keynote of the big celebration next week in observance of Arcadia's 60th birthday, with an old fashioned "picnic in the park" and band concert climaxing the nine days of activities.

The wide range of special events programmed by the Chamber of Commerce includes something for everyone—historical displays, ceremonies, sports tournaments, a civic luncheon, a rodeo, an antique auto show, a hootenanny, an old fashioned bargain sale, and a grand ball.

A highlight of the big family picnic on closing day, Sunday, Oct. 27, will be the appearance of the Southern California Mormon Choir at Arcadia County Park.

The performance is scheduled from 2:30 to 3:30, following the band concert to be played by the Civil Air Patrol Band under the direction of Col. Marie Oliva. The band concert starts at 12:30. Arcadia Sweet Adelines will also be on the program, and awards will

be made to the golf tourney winners.

From 10 a.m. to 3 p.m. the same day, an antique and new model auto show will be going on, under sponsorship of Arcadia Rotary Club. All events will take place in Arcadia County Park.

Opening day of the celebration, next Saturday, will also have a family theme. It will start with the 11 a.m. ceremonies placing the historical marker at the site of Arcadia's first school house, at the corner of Santa Anita Drive and Wheeler Street. The dedication is co-sponsored by Arcadia Historical Society and Arcadia Woman's Club. City Councilman Dale E. Turner, who is chairman of the committee coordinating the anniversary celebration, will be master of ceremonies, and people who attended this first school will be introduced. Following the dedication, there will be an informal picnic at county park.

At 1:30 p.m. the rodeo is scheduled to open a two-day show at the park's baseball diamond, under sponsorship of Arcadia Mounted Police.

A second performance of the rodeo will be held on Sunday, Oct. 20, also at 1:30. The Arcadia Tribune's special anniversary edition makes its appearance the same day.

PEACH BLOSSOM SWEEPSTAKES WINNER—"Memory Lane," entry of the Arcadia Woman's Club, is shown here traveling down Baldwin Avenue. Riding on the sweepstakes winning float are Mmes. Lucy Wyss, Carl Turner, Jack Burge, Isabelle Satterwaite, Albert Weickert and J. Jarrott.

Woman's Club Has Active Role in Arcadia's History

The Woman's Club of Arcadia, celebrating its golden anniversary this year, has been active in civic projects since it was first organized May 19, 1914, when a little band of earnest women met to organize a society to help promote progress in Arcadia. The late Mrs. Alice Billings was the first president and in this golden anniversary year, the club is headed by Mrs. Michael Erickson.

There were fourteen members who formed this organization selecting the name of "Co-Operative Arcadians" as the one most expressive of their purpose and aim. Later the pink Carnation was chosen as the club flower and pink and green for the club colors.

The first year the meetings were held in the homes of members, then various halls were rented until 1918 when the City Trustees in recognition of the civic spirit manifested by the club, offered the free use of the City Hall.

Drinking Fountain

One of the accomplishments of those early club women was the erection of a beautiful cobblestone drinking fountain at the intersection of Santa Anita and what is now Campus Drive (this was taken out when Santa Anita was widened and the bridal trail taken out).

The club joined the State Feder-

ation in 1920 and changed its name to the Woman's Club of Arcadia; later in 1924 it was admitted to the General Federation.

Following the first municipal Christmas celebration held in December, 1924 and sponsored by the club, a beautiful full size evergreen tree was transplanted to a location on the lawn of the city hall. This was a gift to the children of Arcadia.

The Woman's Club today is co-operating with the Cultural Committee of the Chamber of Commerce to provide choral groups to sing around the community Christmas tree. Mrs. Jesse Balser, first vice president, coordinates the efforts of the club.

The club assumed the expense of housing the first library in Arcadia by establishing a rental branch until 1920 when the City Council took over.

The Woman's Club has always taken a leading role in sponsoring projects to beautify Arcadia; the city's first flower show the "Chrysanthemum Fete" was held Nov. 3, 1926 and was designed to encourage home flower gardening. It supported the first float for the Tournament of Roses and helped to decorate the float in 1926.

Sweepstakes Award

The first Peach Blossom Festival was founded by the Woman's

Club which won first prize in the second festival in 1950 and the sweepstakes award with "Memory Lane" in '51.

The club was most active in its efforts to preserve the Lucky Baldwin homestead as a permanent botanical garden.

In 1939, it took part in ground breaking ceremonies at Ross Field in the County Park, and joined in the petition to build a new post office. The clubhouse was placed at the disposal of the Red Cross and USO during the war.

An important program was the "Build Freedom for Youth," a contest sponsored by the General Federation of Women's Clubs.

Among the 22 youth projects undertaken by the Arcadia Woman's Club were the San Gabriel Valley Junior Symphony Orchestra, Little Theatre and student loans and scholarships.

The club sponsored and made substantial contribution for the micro film at the Arcadia Public Library. It also contributed \$1,000 to Wilderness Park and an additional \$500 was given toward the fire ring.

The Woman's Club and the Arcadia Historical Society co-sponsored a plaque that was unveiled yesterday to mark the site of the first schoolhouse in Arcadia.

WOMAN'S CLUB PRESENTS CHECK FOR FIRE CIRCLE

Senior-Junior Woman's Club Builds Fire Circle in Park

The Woman's Club of Arcadia made its final payment recently on the project to build a Fire Circle in Wilderness Park. The club, in conjunction with the Arcadia Junior Woman's Club, pledged \$1,000 for this program. Mrs. Jesse Balser was chairman of the program.

The Fire Circle is a natural amphitheater where youth groups, clubs and other agencies may congregate in one place undisturbed by other activities taking place within the Park. The seats are made of large conifer logs which double as steps. The Circle will accommodate an audience of 250-300. Interspersed between the log seats are large rocks, which further aid in conveying a natural outdoor setting. The Fire Ring is an 8-foot wide concrete circle. A nearby hose bib and hose have been installed as a safety precaution for immediate extinguishing of fires.

A semi-circular effect was given the area with the planting of small

oak trees on three sides of the Fire Circle with the Fire Ring 5 feet below the top level. A feeling of enclosure is given to the audience as they look out toward Foothill Boulevard and the distant hills.

Youth Groups

The great number of youth organizations within this community such as Boy Scouts, Girl Scouts, Y.M.C.A., Camp Fire, Y.W.C.A., and many more do not have outdoor amphitheater or grove where meetings may be held and ceremonials conducted. It is felt that this project would satisfy many demands of the young and old alike who enjoy the great outdoors and who would take pride in and advantage of this new facility. Los Angeles County does not permit open burning unless it is in certain, specified, well supervised areas. The Fire Circle meets all city and county requirements.

The Woman's Club of Arcadia spearheaded the project but consistently strove to submerge its identity when they worked jointly

with the City of Arcadia Recreation Department and the Junior Woman's Club of Arcadia in achieving the desired result. Many meetings were held with not only the two groups mentioned above but with leaders of the Arcadia youth groups, architects, and City Council members in determining the needs for a natural amphitheater.

It is believed that this improvement within a public park will have continued value for the next 50 to 100 years. The value of the Fire Circle for youth organizations is stressed, but the club envisions far greater use by all areas of the community in this city owned park.

"Voyage of SS Hope" Film to Be Shown at Meeting of Junior Club

Mrs. William Reilley, international affairs chairman for the Arcadia Junior Woman's Club, has planned for Wednesday meeting a showing of a film titled "Voyage of SS Hope," documentary pertaining to the ship's recent Peruvian voyage.

Club Women Seek Action on Tax Reduction Bill

Mrs. Frederic W. Spencer, president of the California Federation of Women's Clubs, is asking members, their friends and relatives to support the elimination of retailers' excise tax on women's purses and handbags which retail for less than \$15.00.

Because of a resolution passed at the General Federation of Women's Clubs convention in 1950, clubwomen are able to support this bill. Mrs. Spencer asks that members write to the following congressmen: Congressman Wilbur D. Mills, Arkansas, chairman of the Ways and Means Committee; Congressman Cecil R. King and Congressman James B.
